

3 Belgrave Street Mayfield West NSW

2 1

A work in progress just waiting for new owners to finish to their own style.

Would be ideal for a builder/handyman with plenty of options.
Only limited by your imagination.

With a brand new bathroom, 2nd W.C. and freshly painted interior the potential remains in the open plan living dining and kitchen space, 2 bedrooms plus large light & airy sunroom/study. High ceilings and timber floors add to the appeal.

This home is in a lovely tree lined street, prime location being only minutes from the Mater Hospital, University,

Type : House
