

NEW LAMBTON

2  1  2 

This terrific home with good bones will appeal to those looking to value add rather than pay for someone else's renovation! Deceptively large in size, the home boasts large bedrooms, lounge, separate air conditioned dining plus sunroom. This has the potential to convert to open plan if desired. A fully fenced child and pet friendly block size nearing 500sqm's boasts a covered bbq area, garage, carport and the added bonus of rear access! There is plenty of room to extend and a pool if desired. A great entry into the New Lambton market within walking distance to schools, parkland and transport with various shopping options close by too. Inspection available from now, phone to arrange a time as this one will be popular!
