

MARYLAND

4 2 1

Wow, what a pleasant surprise and offering so much! Those were our thoughts and so will be yours..... This home has been extended and comprises 4 bedrooms with a genuine option for a 5th or study, perhaps a utility room. All bedrooms have built-in wardrobes, with the main boasting an ensuite and walk-in-robe. A large air conditioned lounge is in addition to a spacious dining / family room, both with near new bamboo flooring. This home truly can house the largest of families, of which will be stoked when they see their solar heated inground pool! Most of the relevant associated products are new. A covered entertaining area will be a hit for those who love to entertain family and friends with a friendly bbq. Auto garage door access leads to secure off street parking for two cars if desired. This property truly ticks all the boxes! At an
