Set in the quality, central and convenient location of Silver Stream and amongst many other superb homes is this beautifully presented, immaculately maintained single level home. The versatile floor plan currently comprises 3 bedrooms, however there is a utility room that could easily facilitate a 4th bedroom or study. The main bedroom boasts a walk in robe and ensuite and has direct access to the gardens. Living areas include a formal lounge/dining plus family room and a wonderful covered entertaining area that has purpose all year round. A superb home to entertain family and friends! Ducted air and split systems ensure your comfort. Manicured gardens surround the home and will impress those with a green thumb, for those without there is the option to revert back to grass. The double garage has an auto door and the residence boasts additional off street parking for the boat, van or trailer. This would suit many buyers including a family, empty nesters or even the astute investor wanting strong rental returns. Make your move.....
