

109 Young Road LAMBTON NSW

3 1 2

This well built, sturdy home was originally built by an owner/builder, who then decided to sell to our vendors and has remained in this one family for over 50 years.

Open the door to another decade where chandeliers, spacious formal living areas and patterned glass sliding doors were the norm and are now back in vogue.

Open plan large dining adjoins the modern beige kitchen, complete with pantries and glass door cupboards for your display crockery etc.

Down the wide hallway are 3 good size bedrooms, 2 with old fashioned timber built in wardrobes.
Central to all bedrooms is the reminiscent original blue
