

NEW LAMBTON

3 1

Situated in a fantastic location adjoining parkland with a North facing back yard and being a short walk to Regent Street shops, Lambton Pool and conveniences - this beauty will suit renovators and those looking for a new home site in a Blue Ribbon New Lambton location.

The home itself comprises three bedrooms and is in need of work both internally and externally, being a perfect proposition to renovate and possibly extend should you desire.

The 490 square metre block may appeal to those looking for a new home site. A frontage in excess of 18m does narrow to the rear where there is vehicle access off the lane - perfect for tradesman or those looking to get the boat, van and/or trailer off the street.
