

1 Meander Grove CAMERON PARK NSW

4 2 2

This property is now ready for inspection following its recent completion and is located at the end of a no through road, meaning passing traffic is non existent. Furthermore, it boasts a tremendous bush vista.

Unlike many similar properties on the market, this boasts a wonderful block of land, approximately 720sqms that is fully landscaped in a way that whilst providing space for children and pets, will not overwhelm with its maintenance. The driveway to the double garage (automatic door and internal access) is complete and there is side access for additional off street parking and room for the boat, van and trailer.

The home has been designed and built by a quality builder with an eye for detail who completes impressive one off

Type : House
