

33 William Street STOCKTON NSW

3 1 1

100 years young clad & iron home with HIGH ceilings and BIG rooms.

If you are looking for your own RENOVATION RESCUE in this very popular seaside suburb, this could be the home for you.

As you enter into the hallway from the front door you will find 2 very spacious bedrooms which have had large built-in robes added.

Moving on further down the hallway you come to a large air conditioned living with a small 3rd bedroom or study coming off it.

Type : House
Land Size : 386 sqm
