PROPERTY

10 Hamilton Street HAMILTON NORTH NSW

4  2  2 

Often sought and seldom offered for sale are properties such as this brick and tile four bedroom home with ensuite, multiple living areas and a double garage so well located, being a short drive to Newcastle's beaches and within walking distance to parkland and entertainment.

All four bedrooms have built-in wardrobes, the main being spacious in size boasting an ensuite. The remaining bedrooms also boast built-in wardrobes and could easily fit a double bed.

The living areas offer both space and versatility - with the most common utility being a lounge room, separate dining and a tv or family room. There's more than enough room for his and her space or to separate the generations.

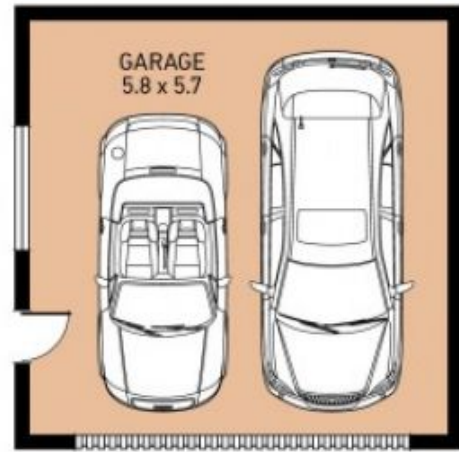

Both the bathrooms are more than adequate and the kitchen was updated approximately seven years ago.
