

33 Macquarie Street WALLSEND NSW

3 1 1

Set behind a picket fence and with a warm and inviting entrance, this property boasts real street appeal and has a genuine feeling of homeliness!

The home boasts high ceilings, some decorative, a wonderful freshly polished return verandah and trendy polished floorboards amongst other traditional features,

Of the three bedrooms two are very spacious and the third is still big enough for a single bed and desk. It may also be used as a study or nursery.

The kitchen and bathroom both present very well and whilst renovation is not required, may lend themselves to be updated down the track.

Living areas include a lounge that also opens to the front verandah, a dining area off the kitchen and another sitting area - with the latter two being interchangeable in their
